PTA

As the second semester of the 2006-2007 school year begins, it has come to our attention that the majority of Executive Board positions are held by 8th grade parents and we're concerned about getting these positions filled for next year. A school's PTA enhances a student's education by providing additional funds that are not given through Wake County. WMMS needs to keep our PTA strong!!! We cannot do that without the help and support of our WMMS parents. Please help where you can!!

Below is a list of positions which need to be filled for the 2007-2008 PTA. Please look over the list, check any positions that you would be interested in and send this back in with your student to the front office. Someone from the PTA will contact you. If you would like more information, please contact PTA President, Tracey Foreman at 847-1474 or TAFOREMAN457@aol.com or come to our next PTA meeting on February 13th at 7:00 pm in the Media center.

Art News

On January 11, 2007 the first semester Visual Arts classes had an art show and reception in the West Millbrook Media Center. Each student had at least one two-dimensional piece of art on display. Several students from each grade level displayed their ceramic work. The show was held from 6:30 until 7:30 and was well attended by students, parents, grandparents and siblings. Mrs. Walter's created invitations that were sent home with all art students. The PTA provided wonderful and colorful refreshments that were enjoyed by all. Start planning now to attend the show and reception that we hope to have near the end of second semester.

Red Cross Blood Drive Coming Soon!

Donors must be at least 17 years old. Walk-ins will be accepted the day of the drive. However, to help make the process quicker for you, please e-mail sblocher@wcpss.net to make an appointment.
