For Parents of Current 7th Graders

On Thursday, May 20th, an email went out asking you to take a survey about teaming. If you have already completed this survey, we thank you. If you have not, please read on.

In looking forward and planning for next year, we are discussing options regarding structuring of the 8th grade. We would like to see what your thoughts are on the topics of Teaming (our current model) and De-Teaming (a Junior High model). Please take a few moments to give us your opinion by answering nine questions in our survey. There is also a section for student opinion, so feel free to have your 7th grader provide their input in the *Student Survey Section*. The survey is anonymous. You may access the survey online at:

<http://www.zoomerang.com/Survey/WEB22ANZLRUN85>

Our survey will remain open through May 28th. If you do not have access to a computer and would like to take a survey, please have your child see Ms. Niebauer in the media center to obtain a printed copy. We appreciate your time and input!

And the Winners Are....

Mrs. Luxford, from our WMMS Staff, is the winner of a Pampered Chef basket valued at \$125. Our WMMS Pampered Chef general basket give-away, valued at \$150, went to Mrs. Tammy Pare, who is not a WMMS parent, but an Outreach supporter.

Thanks so much to all who participated, whether through this effort or our many others through the year!

Visit Our New Outdoor Classroom!

THANK YOU to Jack Twiddy, who built six picnic tables to create an outdoor classroom as part of his Eagle Scout project. The classroom is on the grassy raised area next to the 7th grade building and across from the cafeteria. Check it out!

Box Tops for Education Due June 4th

Please turn in any Box Tops to your homeroom teacher by Friday, June 4th. We will be making one last submission for the end of the school year!

Thank you for all of your support and continue to collect those Box Tops throughout the summer. We will have a contest at the beginning of next year! For additional ways to earn money for our school, go to www.boxtopsforeducation.com. If you have any questions, please contact Julie Sande at sandej@bellsouth.net or 676-7362.

Wake County Board Member Speaks May 26

WMMS parents have been invited by the Baileywick Elementary PTA to come to their school at 6:30 p.m. on May 26 to hear from John Tedesco of the Wake County School Board. Mr. Tedesco will be presenting his new student assignment model. I plan to attend and hope that other West Millbrook parents will also be interested!

We especially want to pay attention to how Mr. Tedesco's proposed assignment changes would impact West Millbrook. This is a great opportunity to become better educated about potential changes in student assignment as well as an opportunity to demonstrate our strong support of our school.

Please spread the word and invite other WMMS families who you think might be interested! Let me know if you have any questions! Leslie Koscielniak, District 3 Board Advisory Council parent representative for WMMS.
